
A SUMMER TO REMEMBER
The Adventures of Jane't and Jrue
Written by Terrence Knox

A Story for Our Family

Some summers stay in our hearts forever.

This is the story of Jane't and Jrue, two children who traveled from Texas to New Jersey. They came to spend time with Grandma Kathy and Pop Pop Tee. They would play, learn, meet new people, and make memories to carry home.

The Trip to New Jersey

Jane't was seven. Jrue was six.

They had a whole summer ahead of them. What would they see? Who would they meet? Jane't was ready to explore. Jrue was ready for adventure. And their grandparents were ready to welcome them with love.
